“There are many things in the way Heritage is conducting business which are filling voids in the auction world and are completely ignored by the two ‘giants’ (and many others). We have close relations with many of the world’s leading dealers and collectors. Everybody is fed up and waiting for something that is not ‘more of the same.’”

“I want to thank you, especially, and your entire team for the utmost professionalism demonstrated in last Friday’s sale. While I regret my inability to personally view the work, you provided an excellent substitute for my not being able to do so, and I look forward to future Heritage auctions. While I previously had only experience with Sotheby’s and Christie’s, Heritage meets or exceeds the quality of service provided by these other institutions!”
