“The Auction was amazing to watch and impressive on all counts. We were able to watch as a family alongside my Mom, and we reminisced about how much my father loved collecting and what it meant to him. Thank you for showcasing his wonderful collection so well. I will take you up on asking for more catalogs as they are the story of my Dad’s collection.”

“I wanted to express my thanks to you and the Heritage Auctions team regarding my recent consignment and sale of a portion of my art collection. The entire process from initial contact to valuation, consignment, auction and settlement was handled professionally and with a personal touch.

I have worked with other leading auction houses in the past and this was by far the easiest and most enjoyable consignment. I was impressed with your knowledge of design and art and the whole process was well executed. The photography and cataloging displayed the work well, the consignment terms were very reasonable and your personal involvement in preparing the works for auction was appreciated.

I will definitely recommend Heritage to others, and look forward to consigning and buying with you in the near future.”
