“I cannot adequately express the satisfaction and pleasure which dealing with you and your firm has created.

You and others in the staff were helpful in advising and guiding my presentation of the recently sold art works. The estimate was fair and, had those prices been realized, would have pleased my wife and me.

Incredibly the sale prices were four times higher than our research and your estimate suggested could be expected. How could I possibly complain?

Everything you told me was helpful and worked to our advantage.

You’re a pleasure.”

WORLD AUCTION RECORD FOR THE ARTIST
“I wanted to express my thanks to you and the Heritage Auctions team regarding my recent consignment and sale of a portion of my art collection. The entire process from initial contact to valuation, consignment, auction and settlement was handled professionally and with a personal touch.

I have worked with other leading auction houses in the past and this was by far the easiest and most enjoyable consignment. I was impressed with your knowledge of design and art and the whole process was well executed. The photography and cataloging displayed the work well, the consignment terms were very reasonable and your personal involvement in preparing the works for auction was appreciated.

I will definitely recommend Heritage to others and look forward to consigning and buying with you in the near future.”
